Click here to hear the piece of music an Austrian composer wrote in honour of a Glasgow football team

AN AUSTRIAN composer has created a new piece - for a youth football squad based in Easterhouse.

Karin Leitner was so impressed by Glasgow's Phoenix United FC that she penned a theme song from her Vienna home.

She plans a special gig in the community next March.

Phoenix put out a squad of 24 players each week - and 20 girls have recently formed their own side.

But they still have no permanent ground on which to train and play home games.

Karin said she hopes Fanfare For Easterhouse will inspire the players.

And she has found two Austrian youth teams who want to come to Scotland for an annual fixture.
